OC AI Pros Marketplace: Site Map & Roadmap

Every page a marketplace for Orange County AI coaches, trainers, and implementers needs, grouped by area and split into three build phases so you can launch small and grow.

Before you build

How the pieces connect

Build phases

Phase 1: Launch (MVP)

- Home, How It Works, legal
- Search and pro profiles
- Quote requests and Stripe checkout
- Messaging and reviews
- Pro onboarding and admin approval

Phase 2: Grow

- City and category SEO pages
- Fixed packages and instant booking
- Calendar sync and video links
- Notifications and disputes
- Pro analytics

Phase 3: Scale

- Milestone payments
- Team accounts for businesses
- Paid pro tiers and featured spots
- Blog and resources
- Marketplace analytics

Phase 1 is enough to start matching OC businesses with pros and taking a fee; the later phases add revenue and polish once real users are on it.
